Overview

Students seeking admission to Hibernian Healthcare training courses are free to do so once eligibility is established and spaces are available.

There are no barriers to admission to Hibernian courses for any student on the basis of nationality, gender, marital status, family status, sexual orientation, religious beliefs, age, disability, race and membership of the Traveller. We are committed to providing a high standard training experience for all individuals.

Admission procedure

Booking can be done via the online booking management system, face to face or over the telephone.

There are a number of prerequisites the company requires before the student can attend the course which are:

- Copies of prior certification to help with learning development.
- The student must highlight any particular needs they may have during the course, so they can be facilitated as much as possible.

Admission criteria for specific PHECC courses

CFR Community

No specific entry criteria other than the candidate has sufficient maturity to comprehend the skills, knowledge and implications associated with CFR skills.
